

COMBINED TEAM SERVICES

CUSTOM **TRAINING** SOLUTIONS

Student Handbook 2024

(08) 9724 6580

www.ctsconsult.com.au

Welcome to Combined Team Services

Combined Team Services is a Registered Training Organisation (RTO) provider number: 50995. We offer a range of nationally recognised training as well as professional individual and workforce development.

This handbook contains information on our policies and procedures. Please feel free to contact staff at any time if you have any queries about enrolment, course details or while you are completing your studies. We have a very supportive and friendly team who are willing to assist wherever we can.

Should you have any questions, problems, or concerns, please don't hesitate to contact us.

Further details of our policies and procedures can be found on the CTS website at www.ctsconsult.com.au or information can also be obtained from Combined Team Services staff.

Our Vision

To be the training and human resources provider of choice

Our Mission

“Providing excellence to all stakeholders through a professional focused and ethical approach that meets or exceeds customer expectation”

Our Values

- Safety
- Integrity
- Synergy
- Communication
- Ethics
- Continuous Improvement

CTS Achievements and Sponsorships

Combined Team Services has won many awards including “Employer of the Year” (twice), “IT”, “Integrated Management” and “Team Culture” awards at the WA South West Small Business Awards. We have been a WA Telstra Small Business finalist three times, and we have been state finalists in the WA Training Awards.

The Directors at Combined Team Services are passionate about developing the capacity of individuals as well as organisations. They have sponsored many programs over the years including the judge's award at the South West Small Business Awards, the South West Institute of Technology Student of the Year Awards, the ATC Apprentice and Trainee Awards, the Forza Dragon Boat Club, the Greenbushes Art and Music Trail, the Apprentice and Trainee Company Awards and the Geographe Power of One Safety Award.

How to Enrol

Staff are happy to discuss the criteria and selection procedures for each training program. Prior to you enrolling in a qualification, they can assist you to identify what type of training is suitable for your needs and what, if any, prerequisites are required. Once you are ready to enroll, complete and submit an enrolment form. Enrolment forms are available on our website.

Our contact details are on the last page of this handbook. We accept cheque, credit card, purchase order or direct deposit payment.

Your enrolment is not complete until statutory and RTO based fees and charges are paid, deferred payment arrangements have been made, or fees and charges have been waived.

Combined Team Services will assign you a Case Manager who will support your learning and assess your work. Your Case Manager will assist you with your Training Plan and any questions or queries you may have.

CTS has chosen specified units for students to enrol in for each qualification we deliver. Alternative units can be chosen in consultation with CTS, based on client requirements and Trainer/Assessor Competencies.

Unique Student Identifier

From the 1st January 2015, all students undertaking nationally recognised training are required to provide their Unique Student Identifier (USI). The USI will make it easier for students to find and collate their VET achievements into a single authenticated transcript. The USI will be available online and at no cost. This USI will stay with the student for life and be recorded with any nationally recognised VET course that is completed from when the USI comes into effect on 1st January 2015.

Combined Team Services is not permitted to issue any qualifications or statements of attainment to a student who has not supplied their USI or given permission to Combined Team Services to apply on their behalf. Please note you do not require a USI to participate in the Health and Representative Courses.

Please contact us if you need assistance applying for your USI.

Funded Training

Construction Training Fund

Established in 1990, this fund (formerly BCITF) provides subsidies for training to eligible people in the building and construction industry. To find out if you are eligible go to <https://ctf.wa.gov.au/>

Some of our training attracts Construction Training Fund subsidies - Call us for more information.

Traineeships

Fees for training funded by the Government of Western Australia Department of Training and Workforce Development are governed by the current WA VET Fees and Charges Policy. This includes traineeship fees. This policy is available for download from the [Jobs and Skills WA website](#), or you may contact us for more information.

Fees and Charges

Fee for service training

Combined Team Services will provide all students with a breakdown of all fees and charges associated with courses and qualifications/units of competence prior to commencement. Current fees and charges for public courses/enrolments are provided on the CTS website. Please note that fees, charges, and course details may change without notice. Please contact us prior to enrolling to confirm costs and course details are still current. Once you have enrolled in a qualification/course/unit of competence your tuition fees are fixed for the original term of your enrolment.

Funded Training

Where training is funded through [Jobs and Skills WA](#) fees will be charged as per the current WA Fees and Charges Policy. Fees are indicative and may change depending on units selected and individual circumstances.

Text book fees

CTS staff will advise students of the relevant website to purchase their own text books if required upon enrolment.

Resource fees

Resource Fees will be charged according to individual Course Brochures and CTS website.

Fees paid in advance

CTS collects fees in advance for services not yet provided to students at various intervals throughout a course or enrolment. To ensure the protection of fees paid in advance, CTS will not collect more than \$1500 from an individual student prior to the commencement of a course/enrolment. Following commencement, we may require payment of additional fees in advance but only such that at any given time, the total amount required to be paid for tuition or other services yet to be delivered to the individual does not exceed \$1500.

Course fees and refund policy

Combined Team Services is committed to providing quality training and assessment in accordance with the Standards for Registered Training Organisations (SRTOs 2015). As such, Combined Team Services is required to have and provide details of a fair and reasonable refund process.

The purpose of this policy is to provide for the appropriate handling of client refunds.

Combined Team Services is committed to ensuring fair and reasonable refund practices.

Combined Team Services will:

- implement and maintain a process for fair and reasonable refund of fees paid; and
- provide refunds for fees and charges paid by individuals/clients, where training and assessment activities have not been delivered.

All refund information can be found on our website www.ctsconsult.com.au

Cooling off Period and Consumer Protection

Combined Team Services (CTS) is committed to providing our students with the best possible training and assessment services. As such, the RTO protects the rights of the learner including but limited to the Statutory requirements for cooling-off periods.

CTS provides a ten (10) day cooling off period, where a course has been purchased and the learner has not yet commenced that course. The cooling off period is deemed to be waived if the learner has already commenced their course including completing their enrolment, or course induction, or completing and/or submitting pre-class tasks.

Further information is available from the Commerce WA website: www.commerce.wa.gov.au/consumer-protection

Health and Safety Representative Courses

Where a student or employer wishes to cancel a course booking prior to course commencement, Combined Team Services requires 5 full days' notice in writing to be eligible for a full refund of course fees. You are welcome to send an alternative person as a substitute prior to the commencement of course at no additional cost. In exceptional circumstances, at the discretion of the Director, fees may be waived and/or a refund made. Exceptional circumstances may include a death in the family or serious illness or injury.

Fee waivers

Combined Team Services may waive all or part of your tuition fees in cases of severe financial hardship for government funded/subsidised training programs. CTS are required to record details of the reason for the decision to waive fees for audit purposes.

If you believe you may be eligible for your tuition fees to be varied or waived, you must apply in writing stating the reason why you are applying and indicate what you can afford to pay.

CTS can also arrange a payment plan with you. Should the extreme financial hardship status occur after fee payment has been made, there will be no refund for fees already paid.

You may post, email or hand deliver the written application to the Combined Team Services Bunbury office.

Concession fees

A concession fee for **Government funded courses** may be available to individuals who fall into the following categories:

- Person holding a Pensioner Concession Card
- Person holding a Repatriation Health Benefits Card issued by the Department of Veterans' Affairs
- Person holding a Health Care Card
- Persons and dependents of persons in receipt of the Youth Allowance
- Persons who are inmates of a custodial institution

Please present your evidence of concession at time of enrolment and we will advise you if you are eligible for concession fees.

Concession fees are not available for Fee for Service enrolments.

Learning and Assessment

Flexible learning & assessment

Training can be delivered in a variety of ways depending on your needs, including on the job, flexible delivery, online, classroom based and Recognition of Current Competencies. Most qualifications can be enrolled in at any time.

Enrolment process:

- **Decision:** Choose your qualification
- **Enrolment:** Complete and return an enrolment form.
- **Commencement:** A Case Manager will be allocated to you and will arrange a meeting to discuss your unit options. This can be done via face to face or over the phone if preferred. Once you have decided on your unit selection we will advise you what fees and charges will apply.
- **Study Time:** Completing a unit every 6 weeks will require 3 to 6 hours per week (depending on experience and unit size)
- **Support:** Your allocated Case Manager will contact you monthly via email and/or phone
- **Process:**
 - Return your assessment tasks as you complete them, no later than the due date. We encourage you to send them for feedback and progress checks if you are unsure
 - Receive feedback from your Case Manager within ten working days when submitted prior to your due date
 - You will be advised if extra evidence is required
- **Completion:** Nationally Recognised Statement of Attainment or Qualification

Flexible learning is self-managed learning with trainer support available via email, online or phone. Face to face support is available by prior appointment. Should you have any specific requirements in regard to completing training and/or assessment, please speak with or see your Case Manager.

Enrolment timeframe

Your course fees cover learning support and assessment within the timeframe of your enrolment. If you are a registered trainee, you will be provided a Training Plan which outlines commencement and completion date for each unit you are enrolled in.

Once your enrolment timeframe has been reached, your enrolment will automatically expire unless an extension has been granted. You will need to request this extension in writing prior to the expiry date. Once your enrolment has expired, you will need to re-enrol in your course, and new course fees will be raised for any units of competence that you are still studying.

Online learning and assessment

We offer a range of qualifications online. Check our website for new additions to our online learning qualifications.

Classroom training programs

We offer face to face training at our training room in Bunbury and we can also visit your workplace to deliver training. We encourage you to BYOD (Bring your own device) when attending our training room. We offer free WIFI access during your attendance at most of our classroom training. Refer to the CTS calendar on our website which has the latest dates for public training courses.

Customised/corporate training programs

We can tailor a program to suit you and your organisation. Various options include extensive workplace visits, dedicated workshops, one on one and group coaching/mentoring, and business development. Contact us to discuss how we can develop a program for your workplace.

Text books for sale and customised manuals

Most courses will require you to purchase textbooks, learning guides and access to online resources. CTS staff will advise students of the relevant website to purchase their own textbooks. It is the student's responsibility to purchase these resources unless prior arrangements have been made with CTS. If CTS does purchase your textbooks, these will be charged at recommended retail price. Postage and handling charges may apply.

CTS also specialises in the development of customised training resource materials to suit your workplace and individual requirements. These resources are developed in consultation with the learner and industry; and include resources for the Business Services and Resource and Infrastructure Industry training packages.

Recognition of Prior Learning (RPL)

RPL process

Students must declare their intent to RPL a unit on the enrolment form at the time of enrolment. No refunds will be provided if a student decides to RPL a unit midway through their enrolment term.

The RPL process will lead to a full and thorough assessment process that assesses the competency/s of the individual that may have been acquired through formal, non-formal and informal learning. The assessor will be looking for evidence to support how the individual meets the requirements specified in the training package. RPL assessment is not a less rigorous way to achieve a unit of competence.

Our RPL assessment process includes any or all the following:

- Portfolio assessment
- RPL interview
- Skill observation
- Third party validation
- Currency checks

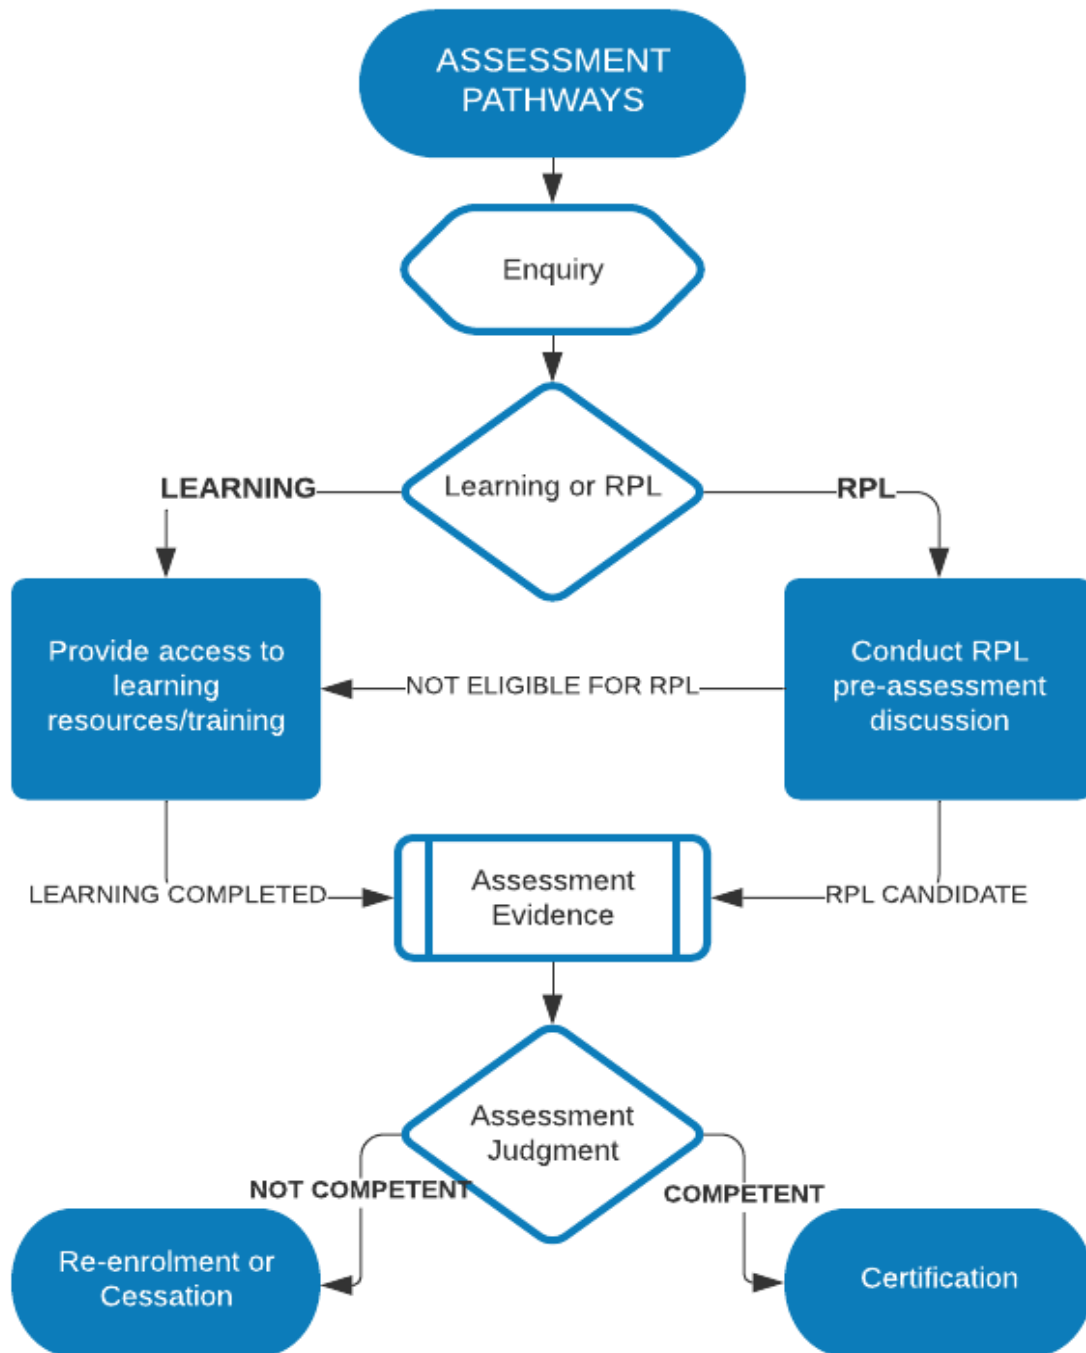

If a student is deemed not competent in a unit after all relevant methods above have been exhausted, or the enrolment term has lapsed, a result of Not Competent will be recorded and the unit expired until re-enrolment.

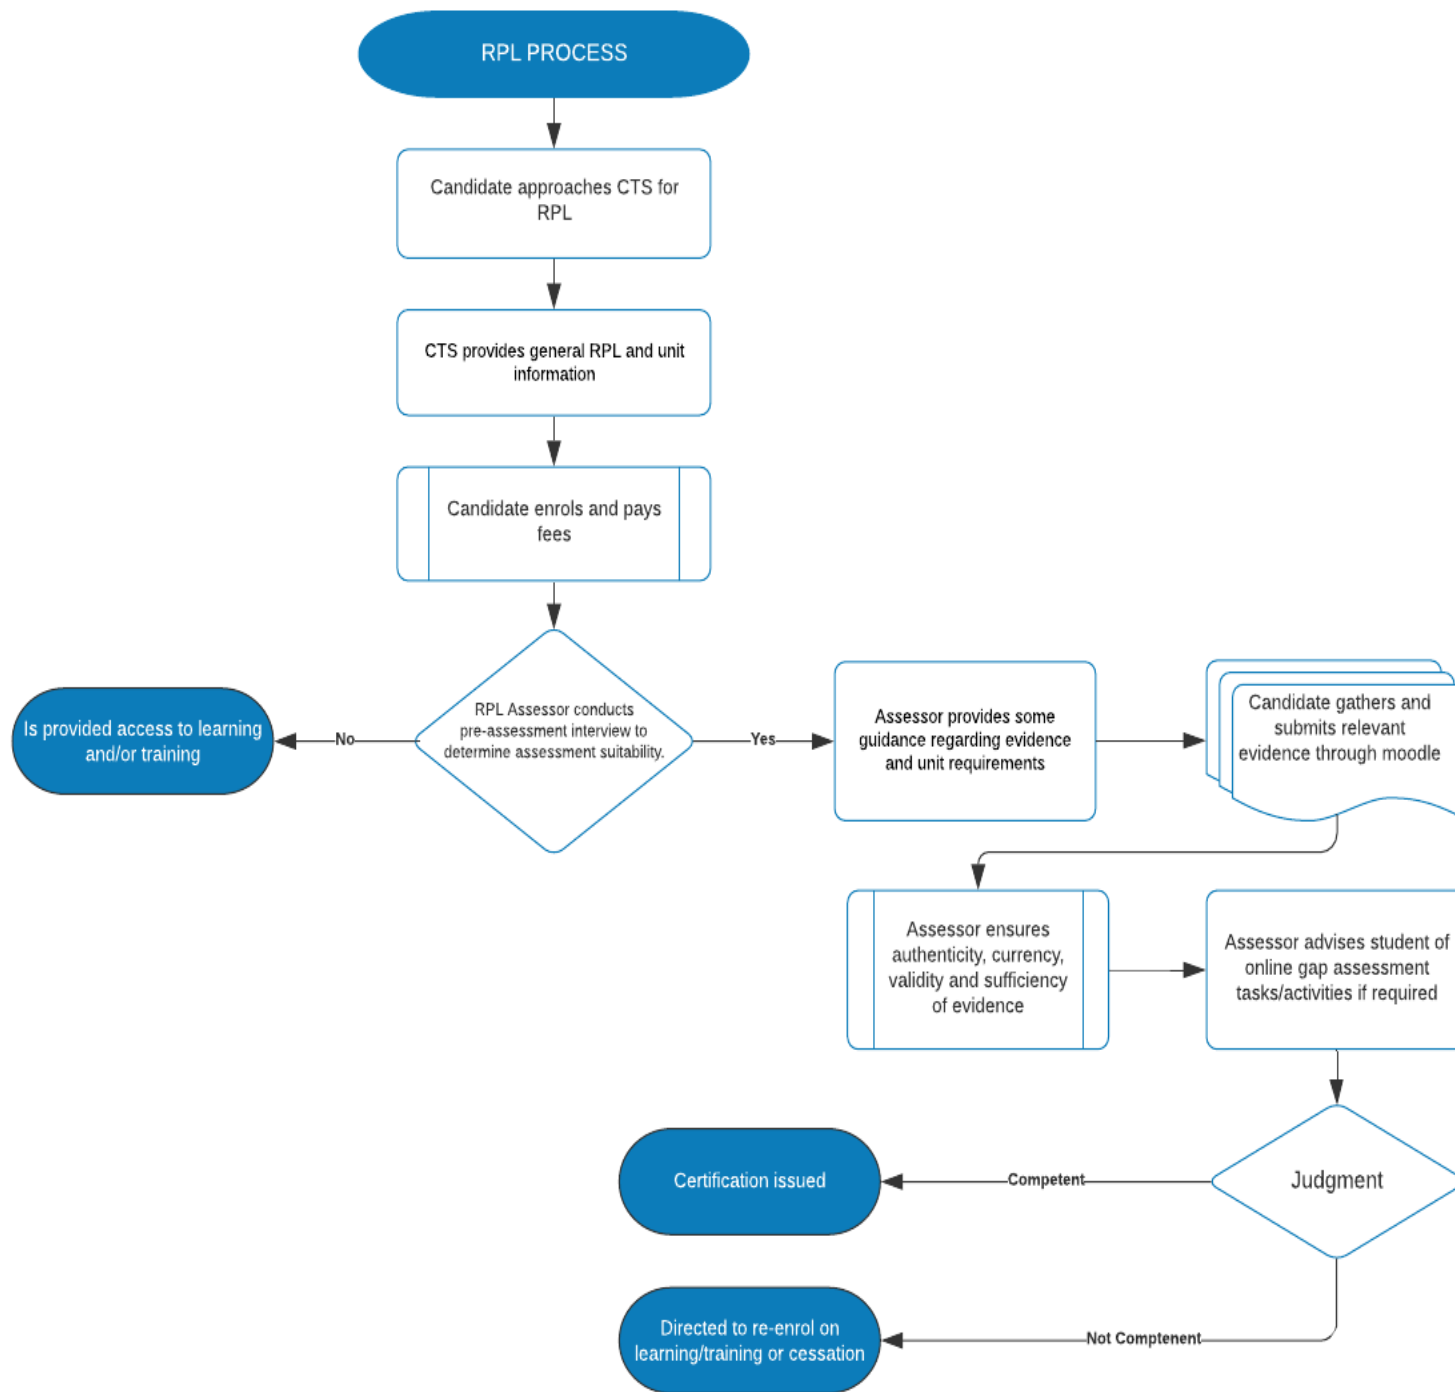

RPL Fees

Fees for RPL are generally the same as fees for a learning pathway. However, additional costs may apply depending on your location. Prior to your RPL assessment we will advise you of costs. If you are enrolled in a unit which is funded by the Government, RPL fees are governed by the current WA VET Fees and Charges Policy.

RPL Enrolment Terms

- Where a student applies to complete a whole qualification, industry skill set or training package skill set by RPL, enrolment terms will be negotiated with you at the time of enrolment and your invoice will record your enrolment end date.
- Where a student's qualification consists of a mix of RPL and full learning and assessment units, the normal term of enrolment applies.

Training Contracts

We can provide training for trainees in the following traineeships:

- Business (Level 3 & 4)
- Resource Processing (Level 2 & 3)
- Occupational Health & Safety Officer (Level 4)
- Manager (Level 4)

You will discover there are lots of business advantages in developing your own skilled workforce. Traineeships combine practical experience at work with structured training. Taking on a trainee is an easy and simple process, and employers may be eligible for incentives including state and national commencement and completion payments, and subsidised course fees. A range of flexible training arrangements are available. To find out more about traineeships contact The Apprenticeship Office to discuss how you can get started.

The Apprenticeship Office:

Telephone: 08 6551 5000

Web: [The Apprenticeship Office](#)

Email: info@dtwd.wa.gov.au

Combined Team Services Policies

Language, literacy and numeracy support

Staff can offer extra support on enrolment if this is required, and you are encouraged to approach Combined Team Services at any time if you need extra help. Alternatively, we can refer you to an appropriate external assistance agency. Assistance available includes career planning, individual coaching, identifying best options for study and referral to external agencies if appropriate.

Submission of work

When you submit your work, no matter how much or how little or by what method (mail or email to your Case Manager) you must clearly identify who you are and exactly what you are submitting. Work will not be assessed without this information. Please include your name in the footer of each page if submitting a Word Document. If you are sending your work by mail, please keep a copy of your work. Combined Team Services will not take responsibility for lost mail. If you are using the online learning portal this information will be captured for you when you upload your assessments into the relevant task. CTS policy states we have 10 business days to assess student submissions from the date of submission.

Return of student work

We do not return student work unless we have been advised by you in writing when you submit your work. Please do not send in original documents, certificates etc. If you require us to return your work via post, a **postage and handling fee** is payable prior to posting. Source evidence from each student is kept in electronic form for audit purposes.

Copyright and referencing

Students must comply with copyright protection provided by the Copyright Act 1968. More information on copyright can be obtained from the Australian Copyright Council and the Australasian Legal Information Institute. Work submitted by students must be original and their own work. If work is used from another source this must be acknowledged and referenced appropriately. If students have worked together on an assessment this should be clearly noted and information provided on the contribution made by each student.

Students are expected to behave honestly and fairly. This means for example that they should not cheat, collaborate when not authorised, or copy another student's work. All outside sources used should be referenced appropriately. If an assessor believes a student has behaved dishonestly in an assessment, for example copied someone else's work without appropriately acknowledging the source, the assessor will investigate the matter to the extent they believe is necessary. This will include making reasonable efforts to contact the student to discuss the alleged misconduct. Should the matter be minor or unintentional the assessor may dismiss the matter. Should the matter be serious it will be referred on to the Director for further investigation. Disciplinary action will be taken for serious misconduct. Action could include asking for work to be resubmitted, providing a written warning or cancelling a student's enrolment.

Re-assessment procedure

Clients will be given the opportunity to be reassessed where competency is not achieved within a reasonable timeframe. Wherever possible reassessment will take place at nominal cost to the client. Consultation will be undertaken between the student and the assessor to determine a suitable time and place for re-assessment.

Request for extension for submission of assignment work

Candidates may request a “due date extension” for the submission of work that is due for assessment **if their studies have been interrupted by circumstances beyond their control.** Applications for an extension will only be considered in extenuating circumstances and must be made in writing to your case manager, preferably prior to the expiry of your enrolment.

If circumstances have changed that will predict an extension being required in the future, please do not hesitate to discuss this with your case manager before the due date.

Issuance of qualifications

Combined Team Services issues qualifications and Statement of Attainment which meet the required outcomes of a qualification or unit of competency, in accordance with the Australian Qualifications Framework Implementation Handbook and the Standards for Registered Training Organisations 2015. Certificates and statements of attainment **will not be issued until all fees have been paid.** Authentic Hard Copies of Certificates and Statements of Attainment issued by Combined Team Services will have the Company Seal imprinted on them. Electronic copies will have a QR code that can be used to verify authenticity.

Reprint of Qualification / Statement of Attainment

Should you require a reprint of your Qualification or Statement of Attainment, a fee of \$50.00 will be raised to cover postage and handling, printing, and administration.

Recognition of qualifications issued by other RTO's

We recognise the AQF qualifications and statements of attainment issued by other Registered Training Organisations. Please provide copies at time of enrolment for unit of competency credit transfers. Alternatively, you may give permission on the USI website for us to verify your existing units that are available as a transcript from the USI website.

Complaints and appeals

CTS has a Complaints Policy and an Appeals Policy and associated forms on the website. If you do not have access to the internet, contact us and we can organise a hard copy for you.

Combined Team Services acknowledges a student's right to lodge a complaint involving the conduct of the RTO, its trainers, assessors or other staff, a third-party providing services on the RTO's behalf, its trainers, assessors or other staff, or a learner of the RTO. A student also has the right to appeal against an assessment decision and request a review of any decisions, including assessment decisions, made by the RTO or a third-party providing services on the RTO's behalf.

Combined Team Services will ensure that clients have access to a fair and equitable process for expressing complaints and appeals, and that Combined Team Services will manage the complaint/appeal with fairness and equity.

In doing so, Combined Team Services:

- a) has written procedures in place for collecting and managing complaints and appeals in a constructive and timely manner
- b) ensures that these procedures are communicated to all staff, third party partners and clients
- c) ensures that all necessary documentation and resources are in place to enable clients to submit a complaint or appeal
- d) ensures that each complaint and its outcome is recorded in writing, and
- e) ensures that customer complaints/appeals and their outcomes are fed into continuous improvement initiatives.

Appeals against assessment

The student has the right to request a review of decisions, including assessment decisions made by Combined Team Services or a third-party providing services on its behalf. Combined Team Services will ensure that all details surrounding the decision are fully explained to the complainant and, where possible, the appeal is settled internally.

If required, Combined Team Services will enlist an external assessor to hear the appeal and issue a judgment. The complainant will be provided with feedback about the outcomes of the assessment process and will be provided with guidance on future options in relation to those outcomes.

In the event of an appeal not being settled, Combined Team Services will ensure the complainant has all the necessary contact details for other avenues of appeal, including the State Registering body – the Training Accreditation Council. A record will be kept in the Complaints and Appeals file by the Director of any “issues” arising which could constitute a ‘high risk’ action at a future date.

Confidentiality/privacy

Combined Team Services is committed to complying with obligation under Privacy Act 1988, and the associated Australian Privacy Principles (APPs), specifically in the way it collects, uses, secures and discloses personal information. Combined Team Services is committed to safeguarding any confidential information obtained by the RTO.

Client information and results will be treated in confidence. Information will not be released to a third party without the written permission of the client. Clients will be asked to sign the consent form for the disclosure of information. Students may access their personal records by lodging a request in writing using the form (Request to Access Personal Records) available from our website.

The full CTS Privacy Policy is available on the CTS website.

Evaluation and continuous improvement

Evaluation and feedback is welcomed from all our clients to help us to continually improve our services. Feedback will be sought from clients and learners systematically. An evaluation form for students is available on our [website](#). Employers are also encouraged to submit [feedback](#) online. If you require a hard copy of our feedback form please contact us.

Access and equity

Supportive staff are available to assist students with career direction and personal action plans. Combined Team Services policy will treat all students equally with fair and equal opportunities without discrimination.

Access

Access generally refers to the ability of an individual to enter training. Improving access for equity groups may therefore involve such strategies as:

- Improving physical access to a training venue
- Ensuring that selection criteria to enter a training program does not discriminate against learners
- Adapting marketing activities to encourage learners

Equity

A person from an equity group has the same right to study at an educational institution as any other student. To ensure this occurrence, Registered Training Organisations must address equity issues to comply with the Standards for Registered Training Organisations by addressing equity issues.

Equity refers to the capacity for all learners to achieve results in training and to receive training in an inclusive environment. Inclusive environments acknowledge and value the differences between people and cultures; they include rather than exclude. Registered Training Organisations must also comply with

the anti-discrimination legislation that applies within their state or territory. For more information visit the Human Rights and Equal Opportunities Commission website at www.hreoc.gov.au. More information on the policies and procedures mentioned are available on our website at www.ctsconsult.com.au

Duty of care

Combined Team Services is obliged to take practical care for the safety and welfare of students, staff and other clients while under our instruction for the purposes of a training activity. The obligation is to take measures that are reasonable in all situations to protect students, staff and other clients from risks of foreseeable harm. This means protection from hazards and harm that could occur against which preventative measures can be taken.

Fitness for work

Participants are reminded that some industrial worksites and mine sites may randomly select individuals on site to undergo a drug and alcohol screen. CTS has a Fitness for Work Policy. Any participant who is in doubt about their fitness for work/training, for whatever reason, are obligated to avoid putting themselves or others at risk. Do not attend training or assessment if you are not fit for work. Please inform your facilitator if you are taking any type of medication that may affect your performance and your fitness for work/training. If the facilitator has due cause to believe you are not fit for work/training, they have the legal obligation to exclude you from further participation, pending evaluation of the circumstances. Please refer to our Appeals Process for further information.

Welfare and guidance services

A list of services available can be accessed through links on our website www.ctsconsult.com.au and at the back of this handbook.

Alternative training arrangements

In the event that Combined Team Services (or the third-party delivering training and assessment on its behalf) closes or ceases to deliver any part of the qualification in which you are enrolled, alternative arrangements will be made in order for you to complete your qualification. This may include outsourcing of the delivery options for our students, establishing an agreement with another RTO or negotiating a transfer of the training to another RTO.

Student conduct

Students are expected to participate in all training activities and carry out tasks set by the Trainer and/or Assessor to the best of their abilities. Should the student fail at completing tasks, activities or not attend scheduled training sessions repeatedly, the student may have their training suspended as a result. All tasks and activities must be your own work; plagiarism will not be tolerated.

Being under the influence of, or consuming alcohol and/or drugs during training will not be tolerated and will result in the termination of training and/or the student being asked to leave the premises (subject to site specifications). Prescription medication is the only exception to this rule.

Students are to behave in a manner that does not threaten or disrupt any other students, staff members or the general public, and reflects the standards of workplace professionalism at all times. Failure to demonstrate the correct behaviour that is expected may result in the offending student being ejected from the class, suspension or termination of their training.

Behavioral misconduct includes:

- Theft
- Fraud
- Plagiarism and/or cheating
- Confidentiality agreement breach
- Discrimination and harassment
- Being under the influence of and/or consumption of alcohol or drugs
- Physical assault

Students acknowledge that any breach of the abovementioned standards in the workplace or RTO, may result in being excluded, suspended or terminated from their training program.

Combined Team Services will investigate any behavioural breach on a case-by-case basis and reserves the right to reprimand, suspend or terminate any student who breaches these behavioural standards, immediately and without warning, depending on the case evidence given.

What Combined Team Services expect of you

- That you work and interact in ways that demonstrate Combined Team Services values
- That you are punctual when attending training sessions
- At the completion of each unit, you submit your assessment to your trainer/assessor
- That you attempt to meet all criteria in order to be deemed competent
- You ensure that you are familiar with the learning outcomes relevant to the qualification you are completing
- That you maintain a level of commitment to completing the qualification/unit of competence
- That you endeavour to ensure you submit all assessment material to your trainer/assessor by the due dates
- That you contact your trainer/assessor if you have any worries or problems with the course so that they can be resolved as quickly as possible
- That you make yourself familiar with the contents of this handbook
- That if you feel your needs are not being met or you are dissatisfied with the assistance or service that is being provided to you, please contact the Director on 9724 6580, or email training@ctsconsult.com.au.

Terminology

ASSESSMENT

Assessment is the process of collecting evidence and making judgements on whether competency has been achieved, to confirm that an individual can perform to the standard required in the workplace, as specified in a training package or VET accredited course.

AUSTRALIAN QUALIFICATIONS FRAMEWORK (AQF)

AQF qualification means an AQF qualification type endorsed in a training package or accredited in a VET accredited course.

COMPETENCY

Being able to perform and demonstrate the required knowledge and skill in the workplace. The required knowledge and skill are usually specified as required Standards of Performance.

COMPETENCY STANDARDS

Define the competencies required for effective performance in the workplace. All nationally endorsed competency standards are expressed in outcome terms and have a standard format comprising of elements and criteria, performance evidence, knowledge evidence and assessment conditions.

CREDIT TRANSFER

A training provider must recognise and accept Australian Qualifications Framework (AQF) qualifications and statements of attainment issued by another registered training organisation (RTO). It can be accepted for a unit of competency or module but not for a qualification. RTOs can automatically award credit using the 'equivalent' determination where the unit and/or module attained by the learner **immediately precedes** the unit and/or module for which credit will be awarded.

ELEMENT OF COMPETENCY

The basic building blocks of the unit of competency. Elements describe the tasks which make up the broader function or job as described by the unit.

EMPLOYABILITY SKILLS

Employability Skills are skills that apply across a variety of jobs and life contexts. There are eight Employability Skills: Communication, Teamwork, Problem Solving, Initiative and Enterprise, Planning and Organising, Self-Management, Learning, and Technology.

EVIDENCE

Information gathered which, when matched against the performance criteria, provides proof of competency.

FOUNDATION SKILLS

The Foundation Skills describe language, literacy, numeracy and employment skills required for competent performance.

FAIRNESS

A fair assessment will not disadvantage any person and will take into account the characteristics of the person being assessed, such as candidates of Non-English Speaking Backgrounds.

FLEXIBILITY

Flexibility in assessment allows for assessment either on or off the job at mutually convenient times and situations.

JOBS AND SKILLS COUNCILS

[A Jobs and Skills Council \(JSC\)](#) is a not-for-profit company that is industry-owned and industry-led. They are part of a national network of 10 JSCs that provide leadership to address skills and workforce challenges for their industry.

KEY COMPETENCY

Employment related general competencies that are essential for effective participation in the workplace.

MODERATION

Moderation is the process which involves assessors discussing and reaching agreement about assessment processes and outcomes in a particular industry or industry sector.

MODE OF DELIVERY

Mode of delivery means the method adopted to deliver training and assessment, including online, distance, or blended methods.

MUTUAL RECOGNITION

Means that an RTO must recognise and accept an Australian Qualifications Framework (AQF) qualification and/or statement of attainment issued by another registered training organisation (RTO)

NATIONALLY RECOGNISED TRAINING (NRT) LOGO

Nationally Recognised Training (NRT) Logo means the logo used nationally to signify training packages and VET accredited courses.

QUALITY ASSURANCE

A planned and systematic process of ensuring that the requirements of the assessment system, competency standards and any other criteria are applied in a consistent manner. Quality assurance mechanisms are an integral part of a well-designed assessment system.

REGISTERED TRAINING ORGANISATIONS

Training Organisations that have been registered in accordance with the Australian Quality Training Framework to provide vocational education and training (VET) services.

RECOGNITION OF PRIOR LEARNING (RPL)

RPL means an assessment process that assesses the competency/s of an individual that may have been acquired through formal, non-formal and informal learning to determine the extent to which that individual meets the requirements specified in the training package or VET accredited courses.

UNIQUE STUDENT IDENTIFIER (USI)

A USI is your individual education number for life. It also gives you an online record of your VET training undertaken in Australia which can be accessed and printed at any time.

TRAINING PACKAGE

A Training Package is a set of nationally endorsed standards and qualifications used to recognise and assess the skills and knowledge people need to perform effectively in the workplace. Training Packages are a key resource for registered training organisations (RTOs) in the delivery of structured, accredited training.

UNIT OF COMPETENCY

A unit of competency describes a discrete job or function and is written in terms of workplace outcomes. Further developed through elements and performance criteria.

VALIDATION

The quality review of the assessment process.

Education and support services

Combined Team Services is committed to supporting students to achieve their learning goals.

Combined Team Services encourage participants to contact an enrolment officer before they enrol in have any support concerns on 08 9724 6580 or via email to janelleb@ctsconsult.com.au. If you or Combined Team Services believe that you may require additional support to successfully complete your course, we recommend you contact the appropriate external service provider to discuss support options before you enrol. Some services may incur a cost to the participant.

Once enrolled you can schedule a face to face appointment with your trainer at our training rooms in Davenport, or via TEAMS to assist you with your progress in your training program. You can also email your trainer with concerns or questions.

Combined Team Services reserves the right to not proceed with an enrollment where an individual's support needs may exceed our capability or may impact on the safety of others.

A list of external support services is provided below and on our website.
